

ESSENTIAL OIL · MYRISTICA FRAGRANS

# Nutmeg oil

## from South Aceh

From Tapaktuan, a remote coast 9 to 10 hours from Medan, where families grow nutmeg between the sea and the Leuser forest. Distilled locally from the kernel, sold unblended.

THE FRUIT

THE MACE

THE OIL

**1000 kg**

available every month from our  
RELIABLE Tapaktuan network

---

**50 kg**

minimum order, sized for small and  
first-time buyers

---

**Sample avail**

vials at the booth, each labeled with  
its batch number

# Nutmeg essential oil

Hampanan Mandiri is a trading company in Medan. We buy from partner distillers in Tapaktuan and work with a local NGO to help nutmeg farmers reach a wider market.

## IDENTITY

|                    |                                  |
